

HELPING COMMUNITIES INVEST TODAY FOR A MORE LIVABLE TOMORROW

Sustainable Maryland inspires, supports, replicates and recognizes the sustainable achievements of 157 municipalities across the state of Maryland.

Our Green Teams are engines for long-term engagement with elected officials, municipal staff and local residents.

Our Actions are incubators for the transmission of innovative projects.

Our SM-Certified communities are replicable models of efficiency, resiliency and innovation.

Sustainable Maryland (www.sustainablemaryland.com) is a certification program for municipalities in Maryland that want to go green, save green and take steps to sustain their quality of life over the long term. It is a collaborative effort between the Environmental Finance Center at the University of Maryland and the Maryland Municipal League.

Sponsorship is fully tax-deductible.
